CONSENT AGENDA

A. Consideration of a Letter of Support for Region 9 Economic Development District's Wolf Creek Pass Middle-Mile IRU Project

↳ This letter is in support of Region 9 Economic Development District of Southwest Colorado's (Region 9 EDD) application for Advance-Local Middle-Mile funding to secure and activate an Indefeasible Right of Use over existing Colorado Department of Transportation fiber across Wolf Creek Pass. This project is a critical priority for Archuleta County, La Plata County, the Southern Ute Indian Tribe, and local communities throughout southwest Colorado. It will secure two strands of CDOT fiber optic cable along U.S. Highway 160 over Wolf Creek Pass, creating a vital internet connection path between southwest Colorado and the San Luis Valley. The project will also include the necessary optical equipment to complete these connections.

NEW BUSINESS

A. Consideration of Resolution 2026-_____ Adopting the Archuleta County Extended Power Outage Emergency Mitigation and Response Plan

↳ This request is to consider a Resolution authorizing the adoption of the Archuleta County Extended Power Outage Emergency Mitigation and Response Plan. The Archuleta County Board of County Commissioners (BoCC) designated as a responsibility of the Office of Emergency Management (OEM) Director to prepare and keep current, and distribute to all appropriate officials in written form, a plan promulgated by the BoCC to be known as the Archuleta County Extended Power Outage Emergency Mitigation and Response Plan. The BoCC of Archuleta County finds that the Emergency Operations Plan is necessary for protecting the public health, safety and welfare of the citizens of Archuleta County. The Office of Emergency Management recommends that the EOP serve as the foundational blueprint for an emergency management program.
